ONLINE ENTRIES

We also offer you the option and convenience of making your entries online AT NO ADDITIONAL CHARGE. Just go to the website at www.iscgr.com and click on "Show Registration". Enter the dog information on the following screen. The process takes you to the checkout where you will select the appropriate payments which can be made using PayPal or a credit card. This online entry system was developed by one of our club members and has worked really well for our past eight Specialties. Please contact me at my email address, js2r@virginia.edu, if you have questions or encounter problems.

Last year all of our entries came in online and that is the case so far this year.

Please support our show if you can; we can promise a great experience in a lovely part of the Country.
